Post Office Department,

TOPOGRAPHER'S OFFICE

Washington, D. C., Jan 19, 1894

Sir:

To enable the Topographer of this Department to determine, with as much accuracy as possible, the relative positions of Post Offices, so that they may be correctly delineated on its maps, the Postmaster General requests you to fill up the spaces below, and the diagram on fourth page, returning the same, verified by your signature and dated, under cover to this Office.

Respectfully, &c.,

Aron Haake

Topographer P. O. Dept.

To POSTMASTER AT  
new site wanted as changed  
Jan-17-94 - 1 1/4 mi. N. E.  
on route 31499

Morning View,  
Belmont Co.,  
Ohio

The (P. O. Dept.) name of my Office is Morning View

\*Its local name is " "

It is situated in the Colerain quarter of Section No. 9, in Township, Belmont (north or south), Range 3 - E (east or west), County of Belmont, State of Ohio

The name of the most prominent river near it is Ohio  
The name of the nearest creek is Little Short Creek  
This Office is 4 miles from said river, on the west side of it, and is 100 feet  
miles from said nearest creek, on the S-E side of it.

The name of the nearest Office on route No. 31499 is Mt Pleasant, and its distance is 2 miles, by the traveled road, in a northerly direction from this, my Office.

The name of the nearest Office, on the same route, on the other side, is Martins Ferry and its distance is 5 1/2 miles in a S-E direction from this, my Office.

The name of the nearest Office off the route is Colerain, and its distance by the most direct road is 3 miles in a S-E direction from this, my Office.

This Office is at a distance of 5 1/2 miles from the Martins Ferry Station of the Cleveland & Pitts. Railroads on the west side of the railroad.

State, under this, the names of other Offices near your Office, in different directions from it, and their distances from it by the most direct roads.

These railroads all run through Martins Ferry

\* If the town, village, or site of the Post Office be known by another name than that of the Post Office, state that other name here, that it may be identified on the map of the State (or Territory).

A diagram of the township and sections (or, where the land is not so divided, a sketch map), showing the precise location of your Office, together with the adjoining Post Offices, towns, or villages, the roads, railroads, and larger streams or creeks, in addition to the above, will be useful, and is desired.—(See diagram blank accompanying this, to be filled up.)
